En uso de la voz el Profr. Anselmo R. Duarte Acosta, Representante de la Sección 54 del Sindicato Nacional de Trabajadores de la Educación, comenta que en relación a la caja de ahorros de la Sección 54, cada vez que se paga siempre hay una retención de esa cuota y cómo es posible cancelarlo aquí, si a nosotros se nos ha cobrado, por lo que solicitamos que se haga una conciliación, a lo que responde la Mtra. María Marla Ruiz Figueroa, que como

siempre, estamos a la disposición de la Contadora de Sección 54, cuando guste venga a verlo y solicita a la Contadora Magdalena Sánchez la explicación al respecto.

Haciendo uso de la voz, la Contadora Magdalena Sánchez Briseño, Jefa del Departamento de Contabilidad, comenta que esto se origina porque en los cheques de pensionados hay una retención de la caja magisterial, y efectivamente en todo el 2010 se estuvieron aplicando y recuperando estas cantidades, pero estas cantidades se refieren a años anteriores, incluso podríamos darle la información que se ha descontado en el 2009 y 2010 y va a coincidir con lo que ustedes tienen registrado. Al respecto el Profr. Javier Ochoa Rivera, Representante de la Sección 54 del Sindicato Nacional de Trabajadores de la Educación, comenta que es muy importante para nosotros que las cuentas ensamblen, conciliamos y solventamos estas observaciones, finalmente es a favor de nosotros, y lo que queremos es que no haya duda.

En uso de la voz la licenciada Teresa de Jesús Lizárraga Figueroa, comenta que hay muchos temas en los que estamos buscando la comunicación en la operatividad, como en dar las bajas al mismo tiempo, les propongo una reunión para definir cada que tanto o como sería el procedimiento, para que no se estén presentando problemáticas.
